

华冶钢管

唐山华冶钢管制造有限公司

Huaye Steel Tube Manufacturing Co., Ltd

公司简介

唐山华冶钢管制造有限公司成立于2004年，是预应力混凝土钢棒和高频焊接钢管的专业生产企业。目前公司旗下有员工120多人，拥有4条国内领先的76焊管机组生产线，11条德国西门子PLC工业计算机全自动控制的钢棒生产线。能生产多种规格的钢棒和焊接钢管，年产量40余万吨。

公司2007年通过ISO9001质量管理体系认证，配备有完善的质量检验实验室和计量、检测一体的产品质量保证体系，拥有自营进出口权，产品覆盖国内30个省、市、自治区，并远销到东亚、东南亚、中东、南亚和非洲的多个国家。

公司始终秉持“质量第一，用户至上，优质服务，信守合同”的宗旨，热诚期待与国内外客户合作共赢，共同发展。

About Us

Tangshan Huaye Steel Pipe Manufacturing Co., Ltd is founded in 2004 and specialised in the production of steel bar for prestressed concrete and high frequency welded steel tube. The company has over 120 employees, 4 national leading 76 welding production lines and 11 fully automatic SIEMENS PLC steel tube production lines, with the annual production capacity of over 40 tons of multi-standard products.

The company has been certified by ISO9001 Quality Management System since 2007 with well-equipped quality-control laboratory and quality guarantee system. The company owns the rights to self-manage imports and exports and serves clients in over 30 regions in China, and in East Asia, South East Asia, Middle East and Africa.

As the tenet, our company is committed to delivering supreme products and high-level of client service. We sincerely look forward to developing mutual advantageous relationship with all clients.

管理是质量的保证
诚信是合作的基础
华冶人愿以一颗真心打造高品质的产品，
来赢得您的信赖与友谊。
Better management is the insurance of good
quality.
Good creditworthiness is the fundamental of
cooperation.
We would like to sincerely manufacture best
quality products to win your reliance and
friendship.
